Faculty of Management offers a bachelor study program, master study program, and PhD study program accredited in English language. The study program Management is a generally focused university education in the field of economics, business management and business administration.

### Important information:

- › **Bachelor:** the deadline for applications: 31.03.2022  
The tuition fee for one academic year for students in English program is 1,990 €. The standard length of study is three years for full-time study.
- › **Master:** the deadline for applications: 31.05.2022  
The tuition fee for one academic year is 2,490 €. The standard length of study is two years for full-time study.
- › **The entrance exam** is oral and consists of a motivational interview in the English language. It will be performed through a videoconference call with the Admission Committee. The whole process will take place remotely without the need to travel for the admission procedure.

The faculty's most significant advantage over other universities is the intensive orientation to the **connection with practice**. Experts from practice directly participate in the teaching process and involve students in various activities and model situations in companies. These activities focus primarily on developing its students and graduates' creative abilities, flexibility, and adaptability. Within the study field of management, the emphasis is based on analytical-synthetic techniques, communication skills and abilities and new trends in management theory and practice. There are many other **opportunities for students** to develop their specific skills during their studies. They also have multiple schemes at their disposal, such as the Erasmus+ program, which supports **students' mobility** and appetite for something new and enriches their knowledge. Of all the faculties in Slovakia, FMCU sends abroad and at the same time welcomes the most students every semester.

### DIPLOMA IN BUSINESS MANAGEMENT HAS THE REAL VALUE

Our graduates find employment in domestic, foreign, multinational companies, consulting firms, the public sector, and other institutions. The acquired knowledge and skills create an essential competitive advantage for them to fill **attractive positions** and are reflected in their **career growth**. Many of them hold crucial managerial practice positions, are well-known personalities in the banking and financial spheres, or work successfully at universities. Faculty of Management also provides **post-graduate PhD. study**. More details about the faculty and study programs you can find on the official faculty web site: <https://www.fm.uniba.sk/en/>

Faculty of Management is the only faculty in Slovakia ranked in the Eduniversal Ranking, the annual ranking of business schools and universities, with an evaluation as Excellent Business School.

### STUDYING IN ENGLISH FOR SUCCESS IN PRACTICE

We emphasize graduates' **language readiness** by increasing the number of professional subjects taught in the world languages (English, German, French). Through academic discussions, a team-oriented environment, and socializing with a variety of **foreign classmates**, students develop their academic, personal, and social skills and confidence. Our graduates are therefore very successful in practice. Faculty of Management also provides an interdisciplinary study program in English with the Faculty of Law of Comenius University in Bratislava, named **Management and Law**. Bratislava is a lucrative place for **international students** to study and live, mainly for those looking for a pleasant, green, and safe environment with many offers for part-time jobs, **promising career opportunities**, and a perspective business environment.

**Comenius University Bratislava** is a modern European university which in 2019 celebrated its 100th anniversary. It is the only Slovak university to be regularly ranked in the international rankings of the **best universities in the world**. With thirteen faculties, it offers the widest selection of study programmes. For students, this presents **tremendous opportunities** for development as well as building **relationships and friendships**. Comenius University is a research institution that runs hundreds of domestic and international research projects. Comenius University became a part of the ENLIGHT alliance, which offers opportunities for the gradual coming together of universities in planning joint courses, summer schools, and study programmes. "I am proud that our university has become part of this pan-European network. I believe that studying at Comenius University will be even closer to the standards of the best European universities," said Marek Števíček, the Rector of Comenius University.
